The international energy workshop takes place in the framework of the “**E-Mobility-Day**”, Europe’s biggest E-Mobility-Test-Event. As a networking event for the European platforms of **European Region Danube-Vltava** as well as of the **Working Community of the Danube Regions** (Working Group “Sustainability, Energy, Environment”) the workshop offers the unique opportunity to exchange experience and know-how in the field of “E-Mobility” in an inspiring atmosphere. The workshop takes place in cooperation with the focus group smart grids / EUSALP.

- 10:15 a.m. **Welcome**
Peter Obricht | Head of Department of Environment and Energy Economics, Office of the Government of Lower Austria
